Dear Parent(s)/ Guardian(s) of a seriously ill child,

The Albany County Correctional Facility for Children's Benefit, Inc., (ACCFCB) consists of Correction Officers and community volunteers supporting seriously ill children in the capital region of Albany, NY since 2001.

We assist families who are financially vulnerable by offsetting their financial burden during critical stages in their child's life.

We are driven by the belief that amazing things happen when people work together to spark the potential in individuals and communities.

We have posted a link to our required Application and Authorization forms on our website to be completed by you and sent to us. We will contact you upon receipt of these documents to discuss your situation in detail. Our Board of Directors will review and determine how best to help your child.

To learn more about us, please visit us at www.ACCFCB.org or feel free to contact us with any questions or concerns you may have.

Sincerely,

John Wojcik
